# Shreyas Nikam

Student at MIT World Peace University  
Pune District, Maharashtra, India

## Summary

Computer Science Engineering student at MIT-WPU passionate about AI/ML, full-stack development, and AI agents. I enjoy building practical projects with Python, TypeScript, React, Next.js, and Node.js, while exploring LLMs, computer vision, cloud, and DevOps. Always learning, building, and looking for opportunities to solve real-world problems through technology.
